Palmdale was supposedly the place I was taken where I asked my assigned minister to apply my religion, per the PTS/SP course if you are a type 3, you're suppose to take them out to the forest, let them destim, chill out and then audit them, I waited and waited and waited, but no auditor ever came. I was driven there by Dan Stradford, my car was left at my apartment in Encino. I did not know at that time that these people made copies of my keys including my car keys nor that Jon Mackinder had copies as well. I do not know if they stole my car using the duplicate keys they made.

On 9/11/98, I was in supposedly in Palmdale, California waiting for an auditor, they were taking away my religion unbeknownst to me.

I don't remember calling Alex Tyson from there. I called Jon Mackinder from there and he said I had 60 seconds to talk and then time was up and he hung up on me. I never spoke to him ever again. The number I would have called would have been 818-541-0882, at that time he moved back to Jean Dale's house, he rented a room from her. Jon Mackinder lived at 1808 Glencoe Way, Glendale, CA 91208, which was Jean Dale's house.
